

# JOSH MANDEL

## STATE TREASURER OF OHIO

The Center for Public Investment Management (CPIM) Academy provides public funds managers the ability to select courses about Investments, Cash Management, Finance, and Ethics. The course offerings are structured to meet the various levels of educational and experience of Ohio's public funds managers. The course numbering series of 100 to 400 is patterned after the traditional collegiate structure; 100-level courses are designed to address fundamentals and the 400-level classes are more advanced.
